**11**

Closing Remarks

REGIONAL  
**STORMWATER**  
PARTNERSHIP  
OF THE CAROLINAS

# STORMWATER

**Working collaboratively on local  
stormwater issues**

The Regional Stormwater Partnership of the Carolinas (RSPC) educates and brings awareness to the public, local businesses and education centers of our region about stormwater issues and their impact on water quality and our environment. We further aim to unite local stormwater programs by sharing information and ideas in order to discuss and address similar stormwater issues on a regional level.

## RSPC Members

Belmont  
Bessemer City  
Charlotte  
China Grove  
Cramerton  
Dallas  
Gaston County  
Gastonia  
Harrisburg  
Kannapolis  
Kings Mountain  
Lake Park  
Landis  
Lowell  
Mecklenburg Co  
Monroe  
Mooresville  
Mount Holly  
Ranlo  
Shelby  
Spencer  
Town of Stanley  
Statesville

## RSPC Actions

1

### Outreach and Education

Campaigns to promote awareness of stormwater issues across Internet, TV, and radio marketing and expanding to outreach for schools and citizen groups.

2

### Tech Talks

Workshops and seminars for members that focus on stormwater, stormwater management, and water quality.

3

### Elected Officials Workshop

Seminar focusing on the importance of stormwater management and the role that local officials play in complying with state mandated stormwater regulations.

## Benefits

"The RSPC is an integral modern component to the City of Gastonia's Stormwater Department. It provides not only opportunities to have a voice and weigh in on state and regional stormwater current events, but also provides up to date relevant data, education/outreach resources, training opportunities and idea sharing that validate our current stormwater permit.." -Danon Lawson, Stormwater Utility Administrator, City of Gastonia

"The RSPC provides access to a network of professionals to share similar experiences and work through similar issues and problems to find common solutions, a regional approach to stormwater management." -David Caldwell, Environmental Supervisor, Mecklenburg County

"RSPC provides members with opportunities to see what others in your region are doing with stormwater and get updated on the latest information from the State." -Josh Watkins, Assistant Town Manager, Town of Cramerton

"The RSPC allows us and other member municipalities to leverage our combined resources, monetary and otherwise, to fulfill MS4 permit requirements that we might not otherwise be able to accomplish on our own. This is just one of a number of wonderful benefits that we receive as part of being a member of the partnership." -Craig Miller, NPDES Program Supervisor, City of Charlotte

# 2 PDHs

After the workshop,  
complete evaluation form at

<https://regionalstormwater.org/2023-winter-workshop-pdh/>

Attendees will need to be present for the entire workshop. Zoom tracks the attendees time within the workshop. Be sure to log in with the email as registered and list that same email on the evaluation form.
